

ASSIGNED TIME FOR EXCEPTIONAL LEVELS OF SERVICE TO STUDENTS APPLICANT INFORMATION

Assigned time from this program may be awarded for activities that have a demonstrated track record of addressing equity gaps among student populations, including:

- Mentoring, advising, and outreach, to support underserved, first-generation, and/or underrepresented students and other practices in support of such students, including those caused by cultural taxation.
- The development and implementation of high-impact educational practices
- Curricular redesign intended to improve student access and success
- Service that goes significantly beyond the normal expectations of all faculty
- Course assignments where increased enrollment has demonstrably increased workload
- Other extraordinary forms of service to students

Limitations

1. The program does not support activities for which assigned time is granted already.
2. Awards—assigned time—may only be used during the academic year (August-May) during which time the activities must be performed.
